Clerk of Court

'With Malice Toward None- With Charity For All- And With Firmness In The Right'

Vol. XI. ROY, MORA COUNTY, NEW MEXICO, SATURDAY, NOVEMBER 28, 1914, No. 45

Mail Clerk Dead

News was received at the Roy Post Office Sunday noon of the death of Isaac L. Neiman one of the Mail Clerks on the E.P.&S-W R. R., Dawson Branch.

Mr. Neiman had been sick for the past two weeks with Typhoid fever at his home in Tucumcari but was not considered dangerously ill and his sudden death Saturday night was a surprise to his many friends in Roy.

Mr. Neiman had been a R.P.O. E. for over seventeen years and had been on the Dawson Branch for over three years and was considered one of the best Railway Mail Clerks in New Mexico.

Mr. Neiman was well known in Roy and was quite a favorite of the Post Office Employees at this place and his many friends here extend their sympathies to the bereaved family at Tucumcari.

Old-Timer Heard From

We received a note Monday from John F. Perry formerly editor of the Solano Herald and U. S. Commissioner at Solano as well as at several stations along the line. He is now living at Bay City, Texas and is Clerk of the Court there. Mr. Perry landed here over seven years ago along with the Editor of this paper and stood the worst of the hardships of Pioneering before quitting the game. He expresses a desire to come back and see us all once more.

Mrs. Frieda Liech-Jones and baby came up from Tucumcari Wednesday to spend Thanksgiving with her mother Mrs. Leach and sister, Mrs. Kennedy. She reports the big division town on the bum at present and more lively times in Roy.

We are in receipt of of a card announcing the arrival of Master John Roswell Butler at the home of Mr. and Mrs. St. Clair Butler at their home at Harrisburg, Ill. The young man will doubtless grow up to be a Base Ball Fan if heredity counts for anything.

Emmet Alldredge was down from Springer several days this week visiting his father, L. E. Alldredge and renewing acquaintance with old friends.

The 500 Club met with Mrs. A. L. Collins Friday afternoon and indulged in their favorite game with the usual feasting accompaniment. The score is not announced as we print just ahead of it.

S. S. Convention

Sunday Nov. 29th the 5th Sunday S. S. Convention will be held at the church at Mills. The following is an outline of the program.

Questions Three-Four Five	
Song	Solano
Song	Liberty
Questions Six and Seven	
Song	Mills
Song	Roy
Mispeh	By School

New-Comers

Mr. Burleson and wife came to Roy recently from Raton and are doing light house keeping in rooms at the South-western. They expect to take a claim and become citizens of Roy. Mr. Burleson was formerly a resident of Solano and is a relative of Postmaster General Burleson. He and his wife are members of the I. O. O. F. and are gladly welcomed to Roy where we hope their lot will be cast in future.

Thanksgiving

Thanksgiving was an ideal day and was observed very quietly in Roy. Feasting and Joy-riding were the diversions most in evidence.

Almost every one who wasn't invited out had company at dinner and many royal birds were devoured.

Saw Mill

H. M. West has leased the G. Kitchell saw mill and will move it to his ranch in Post Canyon where he still has a fine lot of pine trees which he will saw up into lumber this winter.

Mr. West has leased the Steinbaugh traction engine to drive the saw and is fixing up to do quite a large business in the lumber line. There is many thousands of feet of good lumber in the vicinity of the mill and it should be a paying proposition.

Threshes Burns Up

The Steinbaugh threshing machine met with a serious accident at the ranch of Mr. Tinker, near Mosquero, last Friday which resulted burning several stacks of beans and badly damaging the machine.

Live coals from the engine set the prairie grass on fire while the crew was at dinner and before it was discovered the stacks were on fire. Over \$500.00 worth of beans were destroyed and the machine badly burned the drive belt was burned and all around it was a bad fire.

There is considerable threshing to be done in the vicinity of Mosquero and Paul Anderson contemplates taking his new machine down there to finish it up.

Mr. Steinbaugh has worked hard to pay for his machine the past three years and it is a serious misfortune that he should have met with this loss. This is the second threshing machine fire in this vicinity this season.

Automobile News

A. R. Davis and wife drove to Albert Sunday to visit at the T. E. Mitchell ranch. It is impossible to get all of the story but we gather that the car broke down some five miles this side of the ranch house—that they got there and stayed all night and anyway we know that they arrived in Roy Monday afternoon with Archie sitting on the radiator driving a span of Mr. Mitchell's mules and Mrs. Davis steering the car. Arch is not discouraged and will send for repairs and show that old "Mill" that he can drive it.

Andy Hern got his auto wound up Sunday and started to take the family a ride. Out near the Pickering place the machine got unruly and with Anday's limited experience at the wheel it managed to upset itself and spill them all out. No one was seriously hurt and Andy will learn to drive before trying it again.

Rev. Russel is issuing the published minutes of the recent Session of the New Mexico Presbytery held at Farmington last summer. It is a fine piece of printing as well as an interesting record. Mr. Russel as Stated Clerk of the Presbytery has a lot of work that those who profit by it little realize.

More Weddings

Palmer-Tyler

Dean Tyler and Miss Myrtle Palmer were married at this office Sunday evening, Judge F. H. Foster tying the knot hard and fast in the presence of Mrs. Ethel Harper and Miss Mabel Bruce who were called in from the Telephone office as witnesses. The wedding is a profound secret and we are telling you of it so that you can help us keep it.

The groom is the eldest son of Mr. and Mrs. S. Tyler of Roy. The bride came recently from her home in Iowa and is a daughter of Mrs. Rhyneer Palmer, formerly of Mills. Both are well and favorably known here and many friends join in wishing them happiness and prosperities in their new relation.

Gunn-Morgan

We take great pleasure in announcing to their many friends here the marriage of Miss Felicia Gunn and Mr. J. E. Morgan both of Roy, who were married at El Centro, California last Saturday.

Miss Felicia had made the trip from her home in Texas to the Imperial Valley as a sequel to a little romance which started here at Roy two years ago. The young people separated Mr. Morgan going to California and Miss Gunn to Texas. They arranged to meet on this occasion. The daily Paper at El Centro says "The wedding had all the trimmings including bride's bouquet, wedding cake and the Lohengrin March.

They are at home at the "Castle Ray", a popular apartment house in the city. The S-A. joins their friends here in the appropriate felicitation.

A Modern Barn

G. R. Abernathy is building a good modern hay-barn on his claim north of town. It is built as they build them in the Central States and will be equipped with a Carrier and tackle for filling it. He is making the doors large enough to accommodate the use of Hay-Slings and will fill it with bundle stuff letting the horses do the hard work while he does the head work himself. This is the first really modern barn to be built on the Mesa but there will soon be more of them.
